MEMORANDUM FOR All Directorates, Tenant Units and Agencies within the Wiesbaden Military Community

SUBJECT: US Army Garrison Wiesbaden Energy Steering Committee (GESC) Appointment

1. References:

- a. Executive Order 13423 Strengthening Federal Environmental, Energy, and Transportation Management, 26 January 2007.
- b. Army Regulation (AR) 420-1, Army Facilities Management, 12 February 2008 (Rapid Action Revision (RAR) Issue Date: 28 March 2009).
- c. Executive Order 13514 Federal Leadership in Environmental, Energy, and Economic Performance, 8 October 2009.
- d. Installation Management Campaign Plan, November 11, Annex F.
- e. DoD Unified Facilities Criteria (UFC) 3-410-01FA, Heating, Ventilation, and Air Conditioning, 15 May 2003 (Including change 4 January 2010).

2. Purpose: The purpose of this Appointment is to form a Garrison Energy Steering Committee (GESC) which supports the Army's Energy Strategy and Campaign Plan to eliminate/reduce energy waste in existing facilities while monitoring energy usage, increasing energy efficiency in new or renovated constructions, reducing our dependence on fossil fuels, generating energy, conserving water resources and improving energy security with a focus toward net zero.

- a. The GESC will meet on a quarterly basis to review activities affecting energy and water consumption and will review local goal performance, discuss ideas, evaluate successes and development strategies for improvement. The GESC will promulgate strategic and tactical decisions and impacts of pending actions back to the Garrison Commander, Director of Public Works and all affected organizations.
- b. The GESC will establish the standards and responsibilities for proper execution of USAG Wiesbaden's Energy Awareness and Conservation program. US Army Garrison Wiesbaden is committed to operating in an environmentally responsible manner, promoting increased energy efficiency throughout the Garrison to protect the environment and to ensure compliance with the governing regulations.

SUBJECT: US Army Garrison Wiesbaden Energy Steering Committee (GESC) Appointment

c. Objectives:

- (1) Eliminate energy waste in all existing facilities
- (2) Reduce dependence on fossil fuels
- (3) Conserve water resources
- (4) Increase energy efficiency in new constructions and renovations
- (5) Improve energy security

d. Scope: “A Net Zero installation” – integrated approach to management of energy, water and waste.

3. Background: The Garrison will make energy management part of everyone’s priority list by making it part of their annual performance objectives. This will build on energy stewardship making it a team effort with individual accountability for use or abuse of these vital resources. The goal is create a cultural shift in Wiesbaden.

4. Representatives: The following Tenant Units & Garrison Directorates will appoint a representative for the USAG Wiesbaden Energy Steering Committee.

- a. DPW Chief
- b. DPW / Energy Manager
- c. Chief / DOL
- d. Chief / Housing Division
- e. TSMO
- f. DFMWR
- g. PAO
- h. USAREUR
- i. V Corps
- j. 5th Signal Command
- k. 66 Military Intelligence Brigade

SUBJECT: US Army Garrison Wiesbaden Energy Steering Committee (GESC) Appointment

- l. Wiesbaden Aviations Operation Manager
- m. Engineering Support (Darmstadt and Giessen)
- n. 102<sup>nd</sup> Signal Battalion
- o. AAFES Europe
- p. DoDDS Europe
- q. US. Army Corp of Engineers, Europe District

5. Appointment: With this appointment, it is recognized that the representatives listed in paragraph 4 have operational expertise and are each capable of representing the perspective of their activity in energy/water savings aspects. These individuals are enthusiastic about and committed to operating in an environmentally responsible manner and promoting increased energy efficiency throughout the Garrison in order to protect the environment and to ensure compliance with current regulations.

6. Agenda Items: Garrison organizations and units are encouraged to submit questions to GESG members. GESG members will forward all potential agenda items to the chairman for consideration at least 14 days prior to the next meeting scheduled. The final GESG agenda will be approved by the Garrison commander and will be forwarded to all GESG members 7 days prior to the GESG meeting. Meetings will be scheduled in conjunction with the quarterly EQCC meetings.

7. Sub Charters: The GESG may create sub-charters to address emergency issues as required. The sub-charters are intended to provide specific information or background study to the committee and to provide opportunities for non-voting members involvement.

8. Member Negotiations: For the purpose of an effective program, members of the Committee will formulate a strategy that will be to the benefit of the AOR (Area of Responsibility). The format of the meetings will provide facts and evidence which will substantiate a recommended course of action. Initiatives for changes or new processes will be submitted by members and considered part of the meeting agenda.

9. Final Decisions: The GESG will render a final decision to agenda items by the following GESG Meeting. The commission may extend the decision period for complex issues until the matter is solved.
